

**APPENDIX IV**

**EMPLOYER'S CONCURRENCE OF CANDIDACY**

\_\_\_\_\_ has discussed the desire to declare candidacy for election as the \_\_\_\_\_ of the Arizona APCO/NENA chapter.

During our discussion, we reviewed the candidate's need for strong support from the employer to effectively serve as an elected Executive Board member. This support includes, but may not be limited to, the following:

1. The commitment of a significant amount of time to the performance of one's duties as a Board member of the chapter. This may include travel away from the workplace. It also may include time during the normal workday while at the workplace. The commitment of time will extend over the entire period that an individual serves as an Executive Board member.
2. The need for the candidate to have access to telephone, facsimile, and mail services at the workplace during normal work hours.
3. The need for the candidate to have access to an e-mail account during normal work hours that allows for incoming messages with attachments to be delivered to the candidate individually. Since numerous messages may be received and some attachments may be large, it will be necessary for the candidate to have access to sufficient electronic storage space to handle the volume.
4. The candidate may need access to computer equipment and printer in the workplace.
5. Special arrangements may be needed to allow the candidate to complete his/her normal work. The chapter may provide reasonable assistance in satisfying those arrangements

**I hereby agree to provide the support identified above. I concur with my employee becoming a candidate for the office of the Arizona APCO/NENA chapter, if elected, serving a full term as an Executive Board member of Arizona APCO/NENA.**
